RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

On April 9, 2007, the Patent Office issued a Notification of Defective Response. A copy of the Notification is enclosed.

The Notification indicates that the sixth inventor's name is spelled differently in the International application from the U.S. Declaration. The spellings of both the sixth and seventh inventors' name have been changed. However, the correct spellings are now used. That is, the Declaration corrects misspellings in the International Application.

Because the correct spellings are now used, it is submitted that a Supplement Oath or Declaration is not required. Therefore, it is requested that the previously filed Declaration be entered and the application be processed for substantive examination.

If there are any questions regarding this response, such questions can be addressed by telephone to the undersigned.

Serial No. 10/556,912

If there are any additional fees associated with filing of this Response, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
